Bassoonist

## *After Hours Community Band Member Spotlight*

Rene has been a member of the AHCB since 1986 (27 years). She began playing flute in junior high back in 1970. She played through high school. There was a 10 year gap in her music career until she picked it back up in 1986, when the AHCB gave her an opportunity to play again.

One of the early band members, Rene has enjoyed playing with a band that has such a “welcoming and supportive environment”.

Rene is the bands current Secretary on the board of directors. Secretary on the board is one of the busiest positions to hold.

Rene, along with bassoon and flute, has dabbled with the piano.

Along with AHCB band board secretary, Rene has also held positions as performance committee, member-

at-large, treasurer and President.

Rene says that she “enjoys making music with some really nice people in a casual and supportive atmosphere.” She appreciates the amount of volunteer efforts generated by band members
