Clarinet

After Hours Community Band Member Spotlight

Larian (aka Larry) has been a member of the AHCB since Feb. 2014. How did Larry find us? He was invited to play with us by a band member.

Larry began playing clarinet back in 1954. He began in middle school and played through college. He has over 60 years of continuous intimacy with his clarinet reed.

Besides a long experience with the clarinet, Larry has done a lot of conducting as a public school band director.

HOBBIES:

Larry also enjoys wood-working, computer training, website work, and reading.... "I am never bored!"

AHCB Interests:

What Larry really enjoys about playing with the band is the challenging music. He has enjoyed his first year with the band and is looking to many more.
