Sandra Stoeckel

Trumpeter &
Conductor

After Hours Community Band Member Spotlight

Sandy has been a member of the AHCB since 1986 (27 years). Music has been an ongoing part of her life since the 5th grade. Sandy received a Music Education degree from CMSU (now UCM) in voice & instrumental music K-12.

Sandy wanted to play in a band in the St. Louis west county, but none existed. She reached out to Parkway School District Adult Ed program, and eventually the AHCB was formed.

Currently, Sandy is the AHCB long time treasurer (heads up the finance committee), on the conductor's committee, and a band conductor. She has held every band office except Secretary.

Along with trumpet, Sandy plays French horn, and fills in when needed in our percussion section... Oh, and she sings too!

As one of the conductors, Sandy has "loved to watch the band grow and develop musically", and to see our band music library expand with higher difficulty pieces, pushing the

band to evolve and improve.

Sandy enjoys the family spirit of the band and the fellowship we share. It's about having fun making music and sharing it with the greater St. Louis and St. Charles communities.

HOBBIES & INTERESTS:

Sandy loves to read, cook, watch movies & TV. She loves to be in and around lakes, oceans, rivers... "it brings me peace". "I am so proud of my children." She also shares her band experience with husband, Dan, French hornist.

"I am so proud of our band and our history. The AHCB is my legacy."

Special points of interest:

- Quality Services Analyst & Quality Management
- Catalyst of the AHCB
- Band Multi-tasker
- Sweet horn sound
