Bassoonist

After Hours Community Band Member Spotlight

Stacey has been a member of the AHCB since 2014. She began playing a musical instrument beginning in elementary school. She played through high school. There was a 19 year gap in her music career. Prior to joining the AHCB, Stacey played with a community band in northern Illinois. After moving to St. Louis, she wanted to continue playing. In 2013, Stacey found the Manchester Community Band, which only plays during the summer. After talking with another AHCB band member who also plays with Manchester, she decided to join the AHCB in 2014, in order to be able to play year round.

Stacey says that another of her musical talents is to “get my kids to practice their (musical) instruments”.

Stacey currently works as a Clinical Social Worker.

Joining the AHCB has “rekindled old interests, carving out time for myself. I also like the variety of performing venues.”

HOBBIES & INTERESTS:

Stacey enjoys knitting and travel. She is an active geocacher: the recreational activity of hunting for and finding a hidden object by means of GPS coordinates posted on a website. She is also a volunteer for the Huntington’s Disease Society.

“I am so excited to play with the AHCB”

Stacey Barton
