Kathleen Griswold

Flute

After Hours Community Band Member Spotlight

Kathleen began playing flute in elementary school and continued on through college.

She experienced a 15 year gap in playing the flute.

Kathleen went to college with our two conductors, Sandy and Carol, who persuaded Kathleen to join the band.

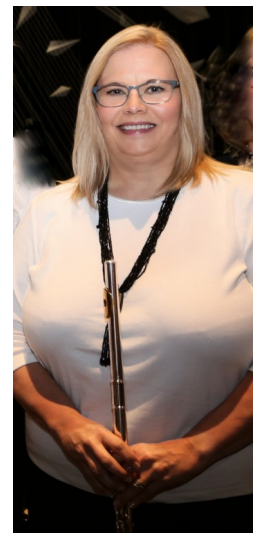

She became a member of our band January of 2016.

Kathleen is a retired teacher and librarian.

She enjoys singing in a choral setting when she gets the chance.

Kathleen has enjoyed playing with the AHCB, and “being a part of a group with a common goal, just playing music.”

Kathleen enjoys reading, St. Louis Cardinals baseball, Kansas City Chiefs football, traveling, and always learning something new.

“I’ve enjoyed playing with a band with a common goal... just playing music.”
