*Scott Williams*

Euphonium

## *After Hours Community Band Member Spotlight*

Scott began playing trumpet in elementary school and picked up the euphonium which he played thru college. He had a 14 year break in playing music.

Scott attended one of the AHCB concerts at Spencer Creek Library. He missed playing and asked to join the band.

Scott became a member of our band in the euphonium section in 2018.

Scott is an accountant at Mallinckrodt.

Scott finds the AHCB members very friendly and encouraging.

He feels the “music is fun to play, and well balanced from easy to challenging.”

Scott enjoys outdoor life: camping, hiking, mountain biking, & marathon running. He loves cooking breakfast for his kids.

Scott sings in his church men’s choir.

Scott sends a special thanks to Bass Clarinet Ben, for helping him find him a Euphonium to purchase. Ben went above and beyond, finding where to buy the Euphonium the same day Scott asked.

“The band members are very friendly and encouraging.”

### **Special points of interest:**

- Accountant for Mallinckrodt
- Loves outdoor sports
- Men’s church choir crooner
- Kids breakfast chef
